CITY PRIMARY CALLED

TUESDAY FEBRUARY 3 DATE FOR ELECTION

The City Democratic Primary Election will be held on Tuesday, February 3.

Lee McLane, Chairman of the City Democratic Execuitve Committee, filed with The Herald for publication early Monday the official notice calling the primary election.

Under the amended election laws, polls now open at 8 a. m. and close at 7 a. m.

The ballot will carry the traditional pledge as follows: "I am a Democrat and pledge myself to support the nominee of this primary."

Six offices are to be nominated for. They are Mayor, 2 Aldermen, City Attorney, Secretary and City Marshal. Places for Aldermen are designated as Place 1 and 2.

Candidates for the nominations for the above offices must file their applications for the ballot not later than 12 noon on Monday, January 12, 1948. A fee of $5 is to be charged for Aldermen and $15 for other nominations indicated.

MADDOX IS PENNY MGR.

NEW CAMERON STORE OPERATOR ON DUTY

Roger Maddox of Dallas is the new manager at the J. C. Penny Company store in Cameron.

Mr. Maddox arrived in Cameron Monday and was in active charge of the store, taking time off to meet neighbors in business here.

He will succeed J. M. Boehner who has been promoted to the management of the big store in Tyler.

Mr. Maddox has been with the J. C. Penny organization for 13 years. He came to Cameron from Dallas because he likes Cameron and prefers to live in a smaller city. He was offered promotions in Dallas but declined them to come to Cameron. Patrons of the store here and the people of this area will be pleased to know that Mr. Maddox has made this commendable choice of a city and territory in which to work for the famous Penny Company.

A native of Concho county, Texas, Mr. Maddox early evidenced the ability which has carried him to his present high place in the organization. Being a thorough Texan he knows Texas people and conditions in the Lone Star State and comes to Cameron well equipped to operate a fine store selling goods to people who appreciate the J. C. Penny policies.

Mrs. Maddox and their two sons, John and Don, 5 and 4 years old respectively, will soon be in Cameron to live. Right now Mr. Maddox is looking for a suitable home, something hard to get in Cameron with the housing shortage still acute. Mrs. Maddox is a native of Independence, Kansas.

Mr. Maddox expressed gratification over the prospects in Cameron where one of the better and more prosperous Penny stores is located. He was especially pleased with reception he was receiving from business men and citizens generally and is looking froward to a role of service and helpful co-operation as a citizen of this fine city.

One of the more important developments in the business of the J. C. Penny Company in Cameron will be the new store plans for 1948. Improvements are planned in the present building and the building adjoining will be taken over and added to the present space. A very modern front some 100 feet down Main street will greatly improve the store.

GUARDMEN GET CHECKS

$758.51 COMES IN FOR CHRISTMAS HOLIDAYS

Junt in time for the Christmas holidays, the officers and enlisted men of Battery C, 239th Field Artillery Battalion rceeived their National Guard service pay during last Tuesday evening's drill period at the armory. Captain Rudolph Michalka, the Commanding Officer, stated that a total of $758.51 in checks was distributed to members of the unit.

Although this amount represented a fifty per cent increase over last payroll, Capt. Michalka pointed out that it was still far short of the maximum pay that would be brought to this area when the battery reached its full enlistment strength.

During the two hour drill period, in addition to their pay, the members of the battery received another G. I. benefit which wasn't suite so easy to take. They were given "shots" against typhoid and tetanus and were vaccinated against small-pox.

Capt. Michalka announced that Tuesday night's drill would be the last one htis year, and he scheduled the battery's next training period for the first Monday evening in 1948.

J. M. BOEHNER TO TYLER

J. C. PENNY CO. STORE MANAGER IS PROMOTED

J. M. Boehner, manager of the J. C. Penny Company store in Cameron, has been promoted in the service of the company and will shortly move to Tyler where he will be manager of the big store there.

The transfer of Mr. Boehner is a promotion. Local managers have the option to accept or reject these offers of promotion. Mr. Boehner said early Monday that while he regrets to leave Cameron he does not feel he can turn down this promotion.

The store in Tyler is a larger establishment and Tyler now has a population of some 45,000.

Mr. Boehner was disappointed in one sense over the promotion, that being the fact he will not be here for the building of the new J. C. Penny Store in Cameron. Plans for the new store have been well projected for more than a year and construction on the new store was due to start shortly after the New Year. It contemplates remodeling of the present building and taking over the adjoining building with a modern front for almost 100 feet down Main.

Mr. Boehner has been a civic and business leader. He has served as President of the Chamber of Commerce, as President of the Cameron Rotary Club and has also been a leader in the Presbyterian Church. Friends here and over this territory will rgeret to know that he is leaving Cameron but will be pleased to

E. O. Harrell Going To Livingston Church; Leaves City Tuesday

(From the Daily)

E. O. Harrell, minister at First Presbyterian Church in Cameron left the city early Tuesday for his new work with the Church at Livingston.

Mr. Harrell has been pastor of the local church for the past two years and has been active in the civic and religious life of the community, a member of the Rotary Club and Secretary of the Minister's Association.

Mrs. Harrell, active in the church and social work of the community, will have a large share in the success of the pastor at Livingston.

The M. G. Cox Give Organ To Baptist Church In Cameron

Mr. and Mrs. M. G. Cox have given the First Baptist Church in Cameron a beautiful new Hammond Organ.

Rev. L. L. Morriss, pastor of the church, announced the gift in the current issue of The Messenger, church paper.

Mr. and Mrs. Cox placed the order for the organ some time ago and it was said that the instrument may be delivered sometime in January of 1948.

Army Deserter Steals Rockdale Car; Caught In McAllister, Okla.

Sheriff Carl C. Black reports that Walter Smith, army deserter, has been arrested in McAllister, Oklahoma and turned over to federal officers.

Smith had stolen a 1941 Dodge car in San Antonio and on his way through Rockdale, abandoned the car there and took a 1946 Chevrolet belonging to F. F. Koehler, driving it to McAllister where he was arrested.

Family Party Slated By Burkes-Howard Co. Here January 5th

On Monday night, January 5 the Burkes-Howard Company, implement dealers will give a Family Party in the auditorium at Yoe High School.

Mr. Burkes said the party will be open to all with their families. The big feature is a stage show and advance notices say it is one of the best entertainments of its kind in the country.

Burkes-Howard are now completing their new home at the corner of North Fannin and Highway 77 and ask that you watch for the opening date.

Additional information will be announced about the family party.

August Gurecky Back At First National

August Gurecky, cashier of First National Bank, who has been ill for a long period of time, has returned to his duties with the bank.

Mr. Gurecky has been working for about a week or more and says he is rapidly regaining his strength.

He was gravely ill for several days and friends were very much concerned over his condition.

Jay Yeadon Is Held For Burglary Here On December 23rd

Jay Yeadon has been charged with burglary here in connection with the robbery of the Buddy Fuller Texaco Station on the night of December 23.

Sheriff Carl Black said that Yeadon has been charged and was arrested in Cameron. According to the sheriff Yeadon took $64 in money and a revolver from the station and left the city. The gun was recovered.

Yeadon was formerly employed by the station and has been living in Cameron for some time. At present he is engaged with a concession company.

CONFIDENCE IN NEW YEAR

2 BRIDGES PLANNING FOR COUNTY

STEVENSON FOR THE SENATE

NEW YEAR IS DUE TO BRING MUCH ACTIVITY

Confidence and optimism were predominant in the thinking and plans of the people of Cameron as the last day of the old year rapidly became history.

In 1948 many things are planned and most heartening of all was the prospect of greater consumer goods and continued good farming and business opportunities.

Generally the people were not over optimistic. They were not inclined to side with the predictions of some of the economists who have blue printed the New Year and say just when things will taper off to get on a so called downward trend.

Realizing that they have the resources here to combat any decline in income and to do their share in the production schedules for 1948 the business of going about with plans was very encouraging.

The New Year will be celebrated in pretty much the usual manner here, with anticipation and a good spirit with some merry making and exchange of good wishes.

To-morrow will be a new day, a new year, and 1947 with all its goodness and failings will be set down in the book as one of the best.

$200 MISSING FROM BADLY BATTERED SAFE

Robbers early Tuesday morning robbed the safe at the Milano school and escaped with about $200 in casn.

A school entertainment was held Monday night and some of the school authorities were at the school until about midnight.

Sheriff Carl Black was on the job. He said the robbers battered open the door of the safe took the money. Several dollars worth of pennies were scattered over the office floor.

Finger print men from the Department of Public Safety in Austin were making a check but it was believed no such evidence could be had. Sheriff Black said no clues had been developed up to noon.

COLD AND RAIN ARE DUE FOR NEW YEAR

The cold front has been delayed and may not reach this area before late Wednesday or Thursday.

Spring like weather may continue here for the next 48 hours but not likely. Rain and colder was pretty much the big factor in the weather picture for New Years Day.

The cold front moving slowly had been stymied somewhere south of 36 and although it had touched Fort Worth it was not due to move into Central Texas until late Wednesday night or early Thursday but nothing certain about either.

Prospects for the New Year were not flattering with all the bowl games. Cameron was going to be closed in major part for the day a new departure in holidays for 1948.

Quite a few fans were going to the Dallas and New Orleans game. Most of the football enthusiasts will be content to listen to the game by radio.

HIGHWAY DEPARTMENT HAS ENGINEER HERE

V. R. Schmidt, veteran engineer and bridge builder with the State Highway department, is in Cameron to complete plans for two new bridges in the county.

Mr. Schmidt says that one of the bridges will be over the San Gabriel River for the Rockdale and Tracy road and the other will be on the San Gabriel River at San Gabriel for the road from Thorndale.

Both these roads are farm to market designations and were authorized some time ago by the Highway Department.

The steel span from the old bridge over Little River at Cameron will be used for the bridge over the San Gabriel on the Tracy road. Another bridge of this type has been located and will be placed at San Gabriel.

Mr. Schmidt was in Cameron during the construction of the new bridge across Little River here and has supervised construction on a number of large bridges in the state, notably a Red River Bridge some 13 thousand feet longer than the Cameron bridge.

MRS. MOXIE BAUKNIGHT BURIED DECEMBER 24

Funeral services for Mrs. Moxie Bauknight, 70, former resident of Cameron, were held at 2 p. m. Wednesday, December 24 from the Marek-Burns Funeral Home in Cameron.

Mrs. Bauknight died at her home in Galveston on Tuesday morning, December 23. She had suffered a heart attack some ten days before her death.

She was the widow of the late J. M. Bauknight who died here in 1929. Mrs. Bauknight was a sister of B. Slocomb and Don Slocomb and Mrs. W. S. Brewer of Cameron.

Funeral services were conducted by Rev. Frank Dent of Galveston and assisted by Rev. Lee Lemons, pastor of First Methodist Church in Cameron. Interment was made in Oak Hill Cemetery.

Pall bearers were: H. H. Stedman, W. O. Newton, John Henderson, Penn Wolf, Sam McDermott, W. O. Triggs, Nat Wofford and Roy Baskin.

Surviving are one son, Dr. James M. Bauknight and one daughter, Mrs. Moxie Bergerson of Davidson, Texas. Four grand children also survive.

The body of Mrs. Bauknight arrived in Cameron early on Christmas Eve by Santa Fe and remained at the Marek-Burns Funeral Home until the funeral hour in the afternoon.

PEPSI-COLA OFFERING 'TREASURE TOP' PRIZES

Probably the most spectacular competition ever to be offered to the public begins Sunday, January 4th, with the opening of the Pepsi-Cola "Treasure Top" Contest offering $203,725.00 in cash prizes, it was announced by Drury Lane, President of the Pepsi-Cola Bottling Company of Caldwell.

COKE STEVENSON

UNITED STATES SENATE GOAL OF POPULAR TEXAN

AUSTIN, Jan. 1— Ex-Gov. Coke Stevenson of Junction observed New Year's Day by announcing to the people of Texas that he expects to be a candidate for United States Senator in next summer's Democratic primaries.

Stevenson followed his usual campaign custom of not presenting a specific platform.

"I do not believe the average political platform is worth much of anything," he explained in his Thursday address, delivered in Austin. "My candidacy is based on certain fundamental principles of sound government. It is based on my record as your public servant in the past."

The former Governor declared that if he is sent to Washington he will continue to follow the pattern set by

EDWARD SEXTON NEW MANAGER AT HALEY'S

Edward Sexton, a native of Rockdale, is the new manager at the Haley Store in Cameron.

Mr. Sexton arrived in Cameron to take over his duties as manager of the dry goods store late last week. He accepted a position with the Haley Dry Goods Company 2 years ago when Frank Haley of Rockdale widely known central Texas business man, launched his chain of stores.

Headuqarters for the company is in Rockdale and Mr. Sexton was manager of the store there before taking over in Cameron.

Like all new comers to Cameron Mr. Sexton is having a hard time getting a house, due to the acute shortage of houses here. He wants to rent an unfurnished home at present but if his plans work out as he anticipates he will buy or build a home here.

Mrs. Sexton and their two daughters, Sherlyn Sue, 4, and Darline, 2, will move to Cameron as soon as Mr. Sexton has obtained suitable living quarters.

Mr. Sexton is well impressed with the city but is no stranger to this community since he is a native of Milam county. A cordial welcome is extended by the business men and the people of the city and territory, to Mr. Sexton who has splendid plans for the expansion and development of this popular dry goods store in Cameron.

TANGLEWOOD COMES IN FLOWING OIL FRIDAY

Humble Oil Company's Vick No. 2 wildcat, which came in last Friday was flowing oil this morning after an off-again on-again performance during the past several days. Building of storage tanks by Humble and reported location for an offset gave indication a real producer is expected.

The well, located on the Henry Vick place near Tanglewood, five and a half miles northeast of Lexington and about 12 miles south of Rockdale, was spudded in about 53 days ago, and came in last Friday afternoon flowing oil and mud. Unofficial reports on the flow have varied in succeeding days from 45 barrels a day to as high as 250, with strong gas pressure.

After a strong show the first day, the reports changed to a flow of mud only, but Tuesday the well was opened up to allow it to clean itself out, and Wednesday was reported flowing crude, with no mud. A separator had been put on the well. The flow has been through various sized chokes varying from 9164 to 3-8 inch. The hole has been drilled to 6119 feet in the Georgetown, just above the Edwards. Pressure has been reported unofficially at from 800 to 1400 pounds.

Humble drilled a well near the same location about two years ago going 6050 feet into the Edwards. The well made oil and salt water and was later abandoned as no well.

Today the No. 2 gives indication of being a good producer and storage is being built. It is expected it will be some time before the actual production will be determined. Unofficial reports this morning are that Humble has made location a little south and east for an offset.

Much land in the area has been under lease by Humble and other companies the past 15 to 20 years. Considerable excitement is being shown over the well here and at Lexington, with leasing activity reported—Rockdale Reporter.

MAYFIELD TO BRAZOS RIVER RESURFACING

AUSTIN, Dec. 17—The State Highway Commission ordered Wednesday that US 190 from Maysfield to the Brazos River receive additional base material and resurfacing. This project covers 9.6 miles and is estimated to cost $38,400.

The work will be financed with state funds which the Commission has been holding in reserve since the construction holiday during the war years.

State Highway Commission Chairman John S. Redditt explained the Milam County construction was part of a general statewide move to modernize and rehabilitate 1,456 miles of state roads.

"We have ordered jobs estimated to cost $6,330,500 to protect our investment in prseent roads and to give greater comfort and convenience to the people using them," Redditt said.

The projects ordered Wednesday cover all areas of the State. They include reshaping and widening many narrow "razor back" roads, new surfaces for asphalt pavements, widening bridges, building stable shoulders, eliminating sharp curves, and other work to improve a great many of the highway system's bad sections.

The work will be done in the Spring and Summer months of 1948 when the next construction season brings favorable weather conditions.

"New Dress" For Daily Herald To-Day

The Daily Herald appears to-day in "emergency dress" due to the newsprint shortage.

The paper used to-day and that will be used for some months to come is book paper, the quality of which is the same as that used for the printing of telephone directories.

The publishers were able to buy this paper in a sufficient quantity to carry for about 3 months. There is no indication that the newsprint situation will improve in the near future.

COKE WILL RUN

Former Governor Coke Stevenson will be a candidate for United States Senator in the Democratic Primaries in July. He will make a formal announcement on Thursday, January 1, he indicated from his ranch near Junction in Kimble county, early Monday.

Judge John Watson left Tuesday for Waco where he will visit his son, and wife, Mr. and Mrs. Bassett Watson for a few days, and will leave there for Dallas where he will visit his daughter and husband, Dr. and Mrs. Donald Kilgore, and another son, John B. Watson.

COACHES VOTE THEIR SELECTION IN POLL

There's no doubt in the minds of District 31-A coaches where most of the power was centered this last football season.

Combining the all-district selections made by five of the mentors—Georgetown failed to place its vote—a final all-district team emerged, and

End Joe Hawkins of Cameron and the history of the industry.
the line is made up completely of Cameron and Killeen gridders.

Four of them are Yoemen, while the other three hail from the Kangaroo camp.

The center, Jimmy O'Neill of Camthe five coaches who voted.

Guard Charles Duncan of Cameron each collected all but one of the selections, as did backs Laurence Michalka of Cameron and Clifton Hargrove of Killeen.

While positions in the line were divided between two teams, backfield spots were evenly distributed between four.

This is how the number one eleven stacks up:

Ends—Joe Hawkins, Cameron; Rusty Mounce, Killeen.

Tackles—D. L. Saegert, Killeen; Eugene Salach, Cameron.

Guards—Charles Duncan, Cameron; Toppy Hold, Killeen.

Center—Jimmy O'Neill, Cameron.

Backs—Laurence Michalka, Cameron; Bob Wilson, Belton; Clifton Hargrove, Killeen; George Schultz, Taylor.

Cameron's district champion Yoemen and Killeen's runner-up Kangaroos copped nine of the possible 11 positions, with Taylor and Belton both chiming in to fill up the roster.

Other boys who placed high in the poll are:

Ends—William Goeke, Rosebud; Kenneth Kenyon, Killeen; Joe Ischy Georgetc .i.

Tackles—Fred Buzan, Taylor; Charles Riola, Cameron; Eugene Leshikar, Taylor; Marvin Lackey, Georgetown; Clayton Spence, Belton.

Guards—Roy Burks, Belton; Wesley Miller, Taylor; Saegert, Killeen; Salach, Cameron.

Jimmy O'Neill was the only center mentioned in the coach's poll.

Backs—Billy Hauk, Cameron; Leo Chafin, Georgetown; Howard Beale, Cameron; T. J. O'Neill, Cameron; Billy Lierman, Rosebud.

Saegert and Salach both made tackles on the first all-district team, bu also drew votes for guard positions.—Temple Telegram.

Note—No all district team is fair that does not place George Hollas of Cameron at guard.

CRUDE ADVANCE SENDS STATION PRICES UP

Increase in gasoline prices were posted at Cameron's numerous filling stations Saturday.

Best grade of high octane gasoline was selling for 25½ cents per gallon and the lesser grade at 23½ cents per gallon.

Despite this four gallons to the dollar price for the best grade of fuel gasoline prices were higher some years ago. In the beginning of car usage gasoline was very much higher. In the early twenties before octane improvement ordinary gas sold as high as 27 cents here.

W. A. L. Robinson, Texaco station dealer, said that gasoline prices have not advanced in proportion to other items like tires and batteries. He said that crude oil went up 50c barrel, the largest single advance in ing the war, he said. Motorists were eron, was the unanimous choice of

Gasolines were frozen at 18c durnot unaware of the advance as refining companies stated a week ago that gasoline would go up.

HAPPY NEW YEAR

.....but just a minute

This newspaper could, as it has in the past, take this occasion to wish all its readers and subscribers a very happy New Year.

Simply that, and no more.

But we feel that a few extra words of friendliness are very much in order, especially today.

We not only want to *wish* you a happy New Year for 1948, we want to point out *how* you can *make* 1948—and every year after—a happier year for yourself and your family.

How? By keeping up your splendid regular purchases of U.S. Bonds through the Payroll Savings Plan where you work. If you're self-employed, and Payroll Savings is not available to you, buy through the Bond-A-Month Plan at your bank.

We don't have to remind you that saving is a community affair today. You know that the more savings this community sets aside today, the brighter the future will be here for all of us. That is why we so strongly urge that *everyone*—wage earner, businessman, professional man—continue to build up his future security through regular U.S. Bond purchases.

Then . . . our wishes for many, many happy and secure New Years for you and yours will certainly come true.

Hold To Fundamentals Advises Kinane In Talk To Rotary Club

Just about all the world's ills can be traced to deviation from fundamentals said S. J. Kinane of Austin, in a talk to Rotarians and their guests here Wednesday.

Mr. Kinane guest speaker, was introduced by John C. Andres, in charge of the program for the day.

He said that in every instance of failure in our political and social economy men who are good shirk responsibility and the bad ones take over. He illustrated this point in reference to the world wars and urged upon Rotarians to take their places of leadership and responsibility.

Mr. Kinane, a splendid speaker, brought a timely talk mixed with wit and humor to make one of the most enjoyable programs of the year.

Milton J. Schiller of Schiller Motor Company was received as a new member in the club.

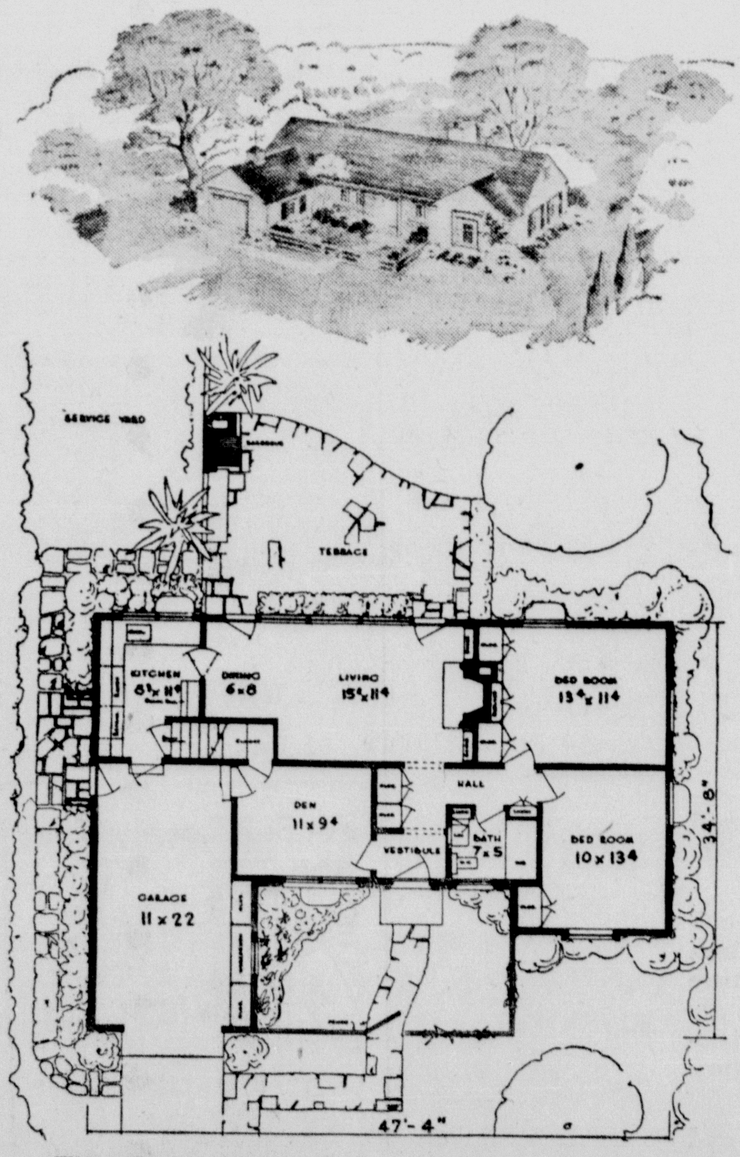
Small Colonial Home



Wide gray shingles, blue and gray ledgerock, white trim and dark blue-black roof is the color scheme of this home. With the interesting details of the fence, cupola, box bay, ornamental iron hinges and weathervane added against a background of landscaping, the picture is complete. This small colonial home has a full basement and radiant hot water heating installed in the floor construction. It comprises 1011 square feet, excluding garage.

Dwelling shown above is a photograph of a scale model of a "cut-out" home which can be obtained from House Beautiful Magazine for $2.00. The model is easily assembled, and gives the prospective home builder an actual model of the home he plans to build, complete with "cut-out" furniture.

By studying the scale model, the prospective builder is enabled to determine what changes he deems necessary before the house is actually built, thereby saving needless expense.

Blueprints and specifications of the dwelling shown above can be obtained for $5 per set by writing House Beautiful Magazine, 572 Madison Avenue, New York City 22, New York.

STEVENSON—

(continued from page one)

him in his serviee as Governor, Lieutenant Governor and Speaker of the Texas House. "As your United States Senator I shall hope not only to be for the right things," he said, "but to be able to do something constructive about getting the right things done."

He hit hard at Federal extravagance and pointed to the record of Texas during his administration as Governor when a General Fund deficit of more than 30 million dollars was transformed into a cash balance of more than 35 million dollars. "I say that if the State Government of Texas can do that, the Federal Government can do the same," he commented.

Government bureaucracy and Federal infringement upon the rights of the States came in for strong criticism by Stevenson. He recalled that 10 years ago, when he was a member of the Texas Legislature, he went to Washington to testify against a proposal that the Federal Government take over title to tidal lands owned by the States. He added, "That proposal was defeated."

The Junction man put himself on record as a vigorous and unrelenting foe to Communism. On European aid, he labeled himself no isolationist, but urged that Americans not be shortsighted in extending aid to Europe.

"The greatest service the United States can render the world today is to survive and prosper as a nation governed by the democratic ideal," he said. "Let's not give the fruits of our labor to the undeserving. Let's not give them our crops. Let us give them instead a hoe and a plow so they can produce their own corps."

Stevenson ended his talk with a solemnly uttered New Year's resolution: "If you the men and women of the sovereign State of Texas choose to send me to the United States Senate I resolve here and now to serve your interests and the interests of constitutional government to the best of my ability and in accordance with the principles of American democracy, so help me God."

PEPSI-COLA—

(continued from page one)

like this before. There are over 15,000 cash prizes for the public plus over 900 cash prizes for the dealers for their customers. I confidently expect to see Texans receive the lion's share of these awards.

"Every entry gets at least a 'Treasure Certificate' for 100 points in the Family award, and the family who receives the family award gets $25,000 in cash.

"There are also to be 51 separate cash prizes awarded each month in Texas and in every other State of the Union. All you need to enter the contest is one Pepsi-Cola bottle top with a design hidden under the cork. The detailed rules will appear in the newspapers and can be obtained as well from your favorite retail store.

"In addition to the contest," Mr. Lane pointed out, "it's going to be a lot of fun for every man, woman and child to collect and trade these Pepsi-Cola Treasure Tops and try and get complete sets of the differnet insignia.

"In the monthly contests one Treasure Top is enclosed with a 25-word statement on 'Pepsi-Cola Hits the Spot Becuase . . .'. In addition, the entrants state the number of different Treasure Tops they have so far collected. The number of tops so collected makes no difference in the awarding of the prizes as entries are judged completely on the merit of the statement. Every entrant ges at least a Treasure Certificate for 100 points for the big Family awards.

"At the end of six months, when the Family awards close, the 100 families in the United States having the greatest number of points will be the finalists in the Family contest. Among these 100 families, 40 family prizes will be awarded—the first prize being $25,000 in cash.

"The entire contest will be judged by the Reuben H. Donnelley Corporation, the nationally known judging organization.

"All Treasure Top entries should be mailed to P. O. Box 12, New York 8, New York.

"In our opinion, it is the biggest, most exciting, and amusing contest ever brought forth in this country," concluded Mr. Lane.

Car Owners Warned To Get Lights In Order By First of January

Car owners should take steps at once to get the lights adjusted on their automobiles and trucks by January 1st and to remedy all other defects to meet the demands of the new law governing operation of these vehicles.

Sheriff Carl Black said that Highway Patrolmen were in Cameron Wednesday and will start checking on cars January 1st and they said they will be most strict on these defects as the new law is very rigid.

Sheriff Black was very anxious to give this advance notice so that no car owners in this county would be subject to any penalty that might be imposed if their cars are found in default. The state highway patrol is going to be very firm on these matters, it was indicated.

Dave Scott of Rockdale made a business visit here Wednesday.

Mr. and Mrs. Carl Black and son and daughter spent Christmas day in the home of Mr. Black's mother, Mrs. A. C. Black in San Antonio.

TEMPLE POPULATION IS SHOWN AT 22,000 PLUS

A population growth of slightly over 7,000 persons in Temple has been shown so far in the unofficial post card census of the city, being conducted by the Retail Merchants association.

According to figures released yesterday, the number of persons definitely accounted for on the 4,-638 post cards returned to the headquarters of the census is 22,365.

Actual population is probably more than this, say backers of the census, because 1,362 of the 6,000 cards sent out have not been returned.

The Retail Merchants association yesterday reminded Temple residents that it still was not too late for them to help out in the voluntary census. All persons who have yet made no report on the number of persons living in their homes were strongly urged to phone the information in to the association.

The number is 2171.

The last census here in 1940 showed Temple with a population of 15,-344. During the war, ration book registration showed the population to be more than 27,000, and estimates now set the city's populaion around 25,000.

Merchants have pointed out that establishment of the highest possible accurate population total will be of value to Temple in many ways, some vital to the city's future—Temple Telegram.

CONGRESS FAIL THE PEOPLE WITH DELAY

Higher prices got the green light in congress when the President's anti-inflation program was stifled by delay and no chance was seen to do anything as adjournment date Friday was approaching.

Political jockeying with both sides charging bad faith, marked the closing days of the current special session.

The 10 point program of the President was destined to come up again in the regular session in January.

Republican leaders like Taft of Ohio said that efforts would be made Thursday and Friday to get a bill through but he charged the Democrats would block his program.

Fear of returning to war time controls drove many members to block the President's program. Spiraling prices were certain to continue and the nation's economy was heading for trouble.

Herald Will Print Review of City's Financial Status

The city has not made a financial statement in something like 4 years. The Herald will publish in early January a review of the city's financial status in an effort to bring the facts to the people.

Some of the answers to questions now being asked may be found. The temper and policy of municipal government in Cameron as they now exist are not new. The city needs many things, mainly streets and other public improvements.

The city cannot get them until a change is had in the method of government operation. It is highly important that the facts be stated and looked at with candor and no one should feel offended for of such attitudes in the past has the situation in its present deplorable state come to us.

There is no substitute for money. We can't have money if we spend more than we take in.

A delicious chicken dinner with all the trimmings was served.

Christmas Party Is Held By Business Women's Club Here

A regular meeting of the Business & Professional Women's Club was held Tuesday evening at their club rooms. It was an enjoyable affair, as it was their Christmas party.

The president, Mrs. Edith Starnes was hostess to the club and a few invited guests.

A turkey dinner with all its accessories were served in the dining room, followed by drawing table numbers for an evening of 42 in the recreation room. After a number of spirited games, Miss Blakley and Miss Leota White were winners of high and low scores, respectively, both receiving a giant stick of candy.

Chrismtas carols were sung at the conclusion of the games with Sanford M. Layfield, Principal of Yoe High School at the piano.

Previous to the singing of the carols, gifts were called off from the Christmas tree where members of the club exchanged gifts. There were presents for the visiting guests.

The club presented gifts to the caretaker and housekeeper, Mrs. Mary Radtke and J. R. Dodson.

Next meeting of the club will be January 6, 1948.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Miss Susie Butts Is Hostess to Women of Church at Maysfield

Miss Sue Butts was hostess to the women of the Maysfield Presbyterian Auxiliary at her home on Monday afternoon with the annual joy gift Christmas party. Guests other than Auxiliary members were Mesdames Willard Cooper, James Leath and Mrs. Jamison of Jones Prairie.

The Christmas story "The Road to Bethlehem" was presented by Mrs. J. P. Wise, Mrs. Roy Newton and Mrs. Herbert Thweatt. The offering for retired ministers and missionaries was put in small Christmas bags and hung on the brilliantly decorated Christmas tree, as each member quoted an appropriate Bible verse.

Under the tree were many gaily wrapped gifts for the guests.

The home was decorated with magnolia foilage, red berries and tall green and red candles in crystal holders and other Christmas arrangements. The table was laid with a lace cloth with a low arrangement of red berries and green foilage. Mrs. H. G. Newton presided at the table. Fruit salad, sandwiches, cookies, pickles and punch were served.

Girl Scouts Hold Christmas Party On December 13th

The Girl Scouts held their Christmas party, December 13, at 2:00 p. m. at the Little House. Girl Scout Leaders were in charge of the party.

The lovely Christmas tree was the central attraction. Ornaments and decorations were made by Scouts during their troop meetings.

The children brought gifts of food and clothing which will go to Cameron's needy.

Mrs. Stufflebeme and Mrs. Colburn's troop put on the Christmas play. The children sang Christmas carols.
